INFINITE LUXURY GYM MEMBERSHIP

Dynamic, adventurous and filled with motivating and muscle-provoking equipment, the gym at Kata Rocks is one of the most cutting-edge fitness facilities in Thailand. The essence of this gym is in its multifunctional use; suitable for every level of guest, from beginners to advanced athletes. The facility has been developed with “functional training” as a focus, to replicate everyday activities and help people to be able to train effectively and achieve a more balanced, natural and healthy body.

Users can choose a “high-touch” approach – using the personalized services of one of the Kata Rocks fitness consultants. Alternatively, guests may choose a “high-tech” style – receiving guidance from a simple web-based application (LFConnect), downloadable onto any smartphone. Touch-screen technology is fitted in the gym and guides users with many resistance exercises and the PowerPlate; the LifeFitness cross-trainers, bikes and treadmills offer many encouraging digital settings.

Along with the state-of-the-art equipment, the gym is defined by its extraordinary interiors and the view is quite stupendous – overlooking the glittering Andaman Sea and the nearby.
