Thai Cuisine

Whenever it is eaten, a Thai meal is a social affair.

Thai cooking means exiting tastes, alluring aromas and beautiful dishes.

But the heart of Thai cooking is something more, the freedom to "Create".

Thai means "Free". The Thai Chef chooses the freshest ingredients to create the blend of sour, hot, salty & sweet tastes needed to obtain the balance of great Thai food.

An ideal Thai meal consists of ordering a soup, a stir-fried dish, a steamed one, a curry and a deep fried dish; To get them placed in the Middle of the Table and to share them with your Guests...

As a rule of thumb, always order one more dish than you are people sharing.

泰国料理

不论何时品尝泰式美食都是一种社会交流仪式。泰国料理烹饪时刻注重色相美味，但是泰式烹饪的最高境界在于栽培创意之心。泰语“创意”就是“自由”的意思。大厨师选择市场上最新鲜的材料创造出一道混合，酸，辣，咸，甜而取得各种口味平衡的泰式美食菜肴，最完美的泰餐不可少的便是一道汤，一道炒，一道清蒸，一道咖喱还有一道油炸食品。把各种菜肴同时端到餐桌上和家人密友一起分享。大拇指规则推荐点菜之时按照食客总数再加一，就以这个指数来判断应该点几道菜给大家一起用餐。

Vegetarian options:

Most of our dishes can be cooked vegetarian by replacing the meat / seafood by vegetables and tofu.

素食者请注意：我们可以将肉类转换成蔬菜，豆腐或海鲜海鲜类为您料理素食餐。

Andaman Royal Kantok

1,600 Baht (for 2 persons)
